Sir:

Applicant, through its attorneys, submits this Petition to name the actual inventor, *i.e.*, Michael Meyrick Burrell, of the claimed subject matter of the above-identified application. Specifically, the following name should be deleted as a co-inventor: Keith Stuart Blundy.

The reasons for making this Petition are as follows:

The actual inventor of the presently claimed subject matter is Michael Meyrick Burrell (Burrell). The present application is a continuation of Application No. 07/991,451 filed on December 16, 1992 (the "'451 application"), now U.S. Patent No. 5,387,756, which is a continuation of Application No. 07/628,216 filed on December 17, 1990 (the "'216 application"). When the '216 application was being prepared for filing with the Patent and Trademark Office, through an inadvertent error, without deceptive intent, the name of a person who is not an inventor, Keith Stuart Blundy (Blundy), was mistakenly identified as a co-inventor with Burrell. This mistake was not discovered during prosecution of the '216 and '451 applications.

During a recent review of the inventorship of the present application in connection with the proceedings of Patent Interference No. 104,046, attorneys for

Applicant determined that Blundy made no inventive contributions to the claimed subject matter of the present application.

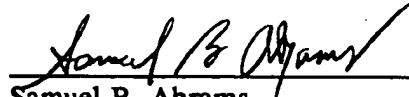

In accordance with 37 C.F.R. § 1.48(a), submitted concurrently herewith are: (a) an Amendment Under 37 C.F.R. § 1.48; (b) a Declaration Under 37 C.F.R. § 1.63 ("SUPPLEMENTAL DECLARATION AND POWER OF ATTORNEY") by the actual inventor of the above-identified application; (c) a Statement By The Person Being Deleted As An Inventor By The Petition Under 37 C.F.R. § 1.48(a)(1); and (d) a Consent By Assignee To Correction of The Inventive Entity Under 37 C.F.R. § 1.48(a)(4). In the accompanying Statement, Blundy states that the inadvertent error in the inventorship of this application was made without any deceptive intent on his part.

Based on the above, it is respectfully requested that this Petition be granted and that the application be amended to reflect the correct identity of the actual inventor.

The fee required for this Petition is believed to be \$130.00. Please charge the required fee to Pennie & Edmonds LLP deposit account no. 16-1150. A copy of this Petition is enclosed for accounting purposed.

Respectfully submitted,

Dated: October 5, 1998
